Lava Shells are the world's first self-heating massage tool. These eco-friendly massage tools require no electricity to heat up, just a sachet containing a blend of food grade mineral and a simple salt activator causing a chemical reaction which will continue to generate heat for over 1 hour.

O·P·I ELEMIS LAVA SHELLS.

pre treatment

Before Treatments

An in-depth confidential consultation is inclusive in all treatments for your health and safety. Please ensure the therapist is aware of any ongoing medical tests, treatments, serious health problems or allergies.

For example:

- Allergic reactions to nuts or shellfish
- Any recent or ongoing heart conditions, cancer or cancer treatments
- Epilepsy, kidney, liver or thyroid conditions
- Some medications - conventional or homoeopathic
- Pregnancy
- Operations
- Recent surgery

Whilst wherever possible we try to adapt or recommend other treatments for clients with any of these conditions, or other conditions raised during your consultation, there are times when the treatment of your choice cannot be performed and would be detrimental to your health. Clients are respectfully asked to accept our highly trained therapists' advice on these occasions.

Whilst we understand circumstances can occur which would involve cancelling treatments, our hotel policy is a 50% charge if the treatment is cancelled with less than 24 hours notice. A deposit will also be taken for spa days or large treatments.

Attire

For body treatments spa guests are advised to wear loose clothing or a robe. As a foot and leg massage is included in many foot and nail treatments, it is advisable to wear loose trousers or a skirt/dress. Robes are provided in every bedroom for hotel residents. Please bring flip flops for toenail treatments.

After Treatments

Should you wish to use the swimming pool or spa following any body treatment, please shower beforehand to avoid any irritation or skin sensitivity. It is also advisable not to sunbathe after some body treatments - your therapist will advise you at the time of your treatment. Please be aware that with any treatment that is inclusive of the scalp, your hair will be slightly oily post treatment.

As a courtesy to all of our clients, we encourage a prompt appointment schedule. Any late arrival for an appointment may not be honoured, but where possible treatments will be adapted accordingly.
